04 / RECOGNITION WALL

Robley Rex VA Medical Center

PROJECT OVERVIEW

Kayleen led interior design coordination for the Department of Veterans Affairs - standardizing furniture, reviewing finishes, signage and artwork, and guiding activation planning across clinical and non-clinical departments.

ROLE

Lead Interior Designer

SCOPE

**Space planning / Furniture standards / Finish review
/ Activation planning**

972K
SQUARE FEET

104
PATIENTS

Chicago Condo Renovation

BEFORE

AFTER / OPEN TO LIGHT

A compact kitchen reworked for openness, clarity and daily ritual.

The renovation removed a partition wall and introduced new LVT flooring, countertops, cabinetry accents and backsplash finishes - opening the kitchen to light and the adjacent living space.

ROLE

Designer + Client

SCOPE

Space planning / Material selection /
Kitchen transformation

Fairfield Inn Bardstown

*A lobby material story drawn from
Bardstown's bourbon heritage.*

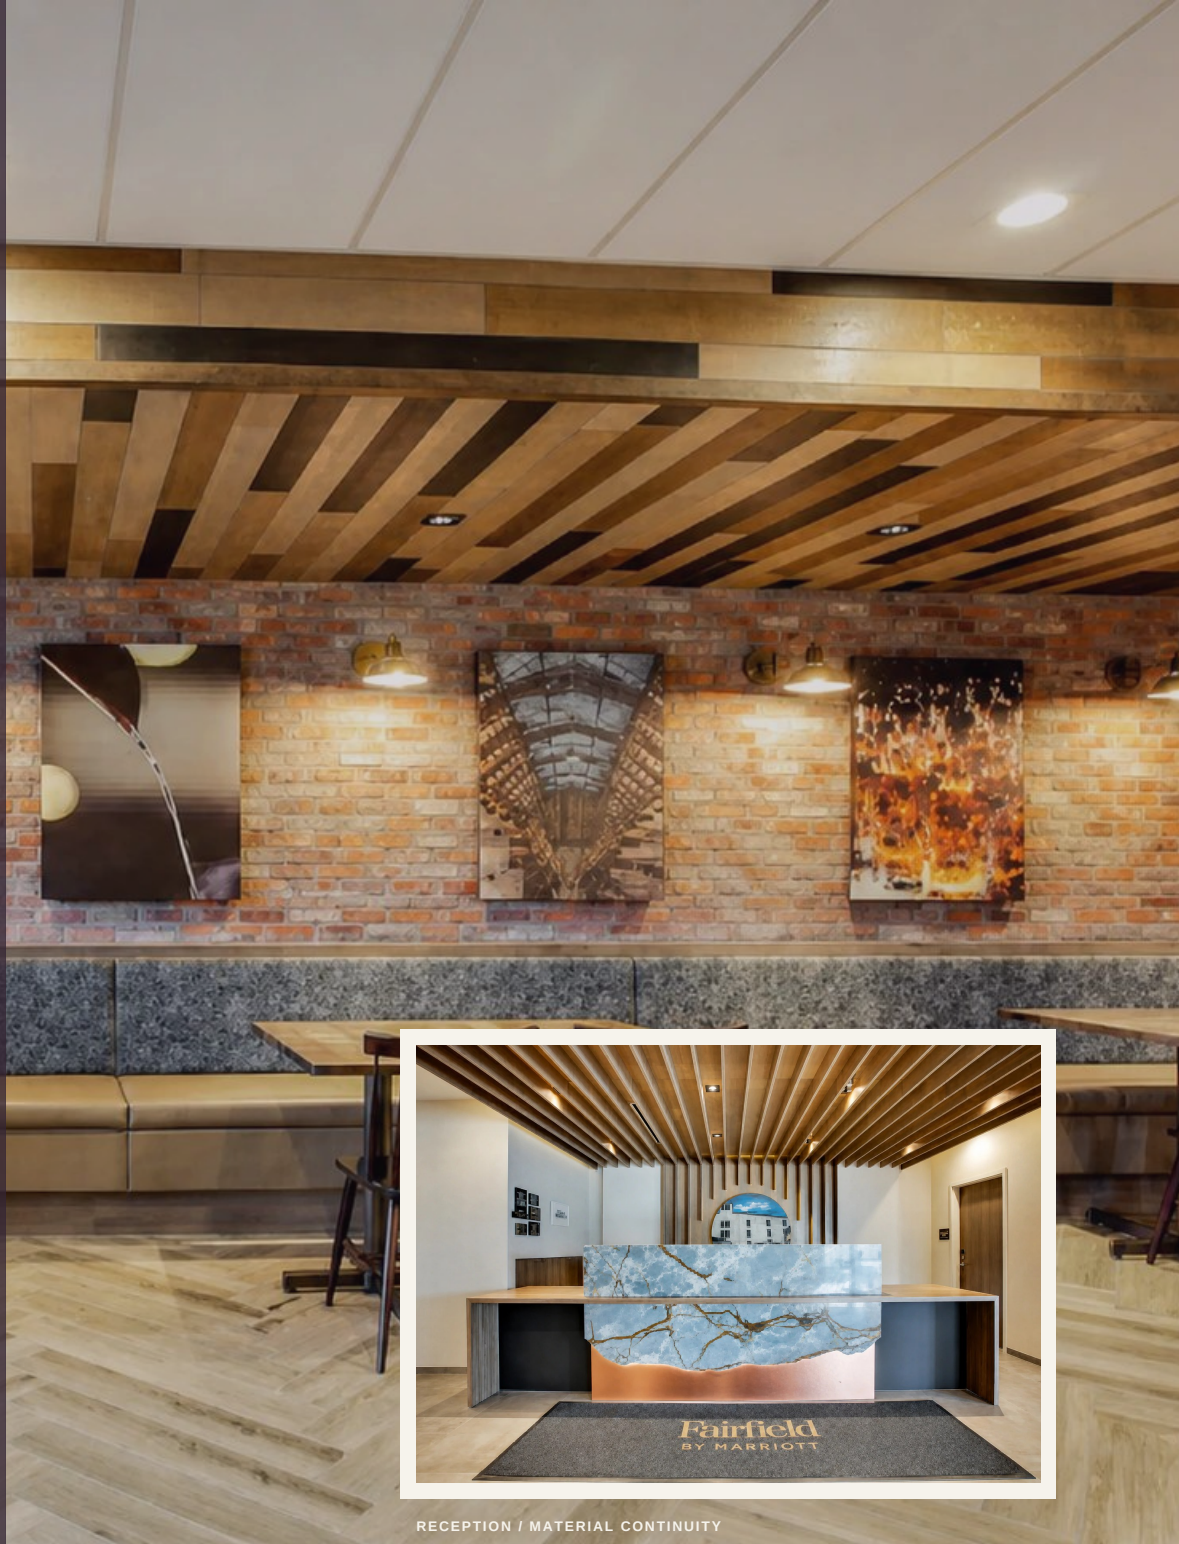

Kayleen developed a main-lobby finish direction inspired by bourbon barrels, weathered wood and exposed brick - translating regional character into a warm hospitality palette.

ROLE

Interior Design Intern

SCOPE

Hospitality / Material
story / Local context

RECEPTION / MATERIAL CONTINUITY

National Recognition Wall

A living graphic system that makes service and recognition visible.

INTEGRITY / COMMITMENT / ADVOCACY / RESPECT / EXCELLENCE

Designed and installed at two Jesse Brown VA Medical Center locations, the system recognizes ICARE award recipients, employees of the month and nationally recognized team members.

ROLE

Designer, concept to print

SCOPE

Graphic system / Production / Installation

ICARE / EMPLOYEE RECOGNITION

JBVA Workplace Planning

MEETING / CIRCULATION / WORKSTATION SYSTEMS

Workplace layouts organized around changing teams and real movement.

For engineering and nursing administration teams, Kayleen developed revised layouts, coordinated furniture systems and planned sixteen height-adjustable workstations in Revit.

ROLE

Interior Designer

SCOPE

Space planning / Furniture systems / Revit
